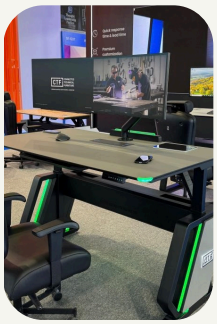
Mission-Critical Teleconference & Control Room Tech Executive Summit 2

Mövenpick Hotel Ghala Muscat

Monday 12 October 2026



We are delighted to invite you to a full-day event dedicated to cutting-edge innovations for governmental, operational, and mission-critical environments. The program combines keynote sessions, live demonstrations, expert discussions, and networking opportunities, with a special focus on operation & control rooms, meeting rooms and plenary spaces.

Technology Summit program:

- Datapath: Video and visual systems that consolidate essential information to enhance decision-making in control environments
- CTF: Designing for Human Performance: The Future of Ergonomics and Health Tech in Control Rooms
- VITEC: Video Intelligence & Distribution
- Akten-Ex: Ultimate Protection: How to Secure and Irreversibly Destroy Sensitive Physical Data
- Neat: Integrating AI to Transform Videoconference and Huddle Rooms into Intelligent Collaboration Spaces
- Keenfinity Group: how to transform + integrate Bosch in teleconference and actual trends
- Trendelkamp: building technology over 3 generations
- Element One: robotization in furniture
- **Panel discussion**: Transforming Control Spaces: AI Integration, Smart Monitors and Ergonomic Design for Next-Level Operational Efficiency

Technology Summit

The summit brings together professionals who influence or manage technology decisions across operations, IT, facilities, and strategy. Join us for a day of insights, networking, and demonstrations shaping the future of your organization's technology.

Networking and more!

Your input counts! — dive into our lively round-table and unlock new inspiration for your future work.
Complimentary refreshments will be available throughout the day, including coffee, tea, biscuits, Belgian chocolates and sandwiches. Experience an exquisite lunch in the buffet restaurant.
At the end of the day, a raffle will be organized, featuring a variety of valuable product samples and gadgets (offered by the Platinum and Gold Sponsors).

Visitor Registration and Fees

Free Entry*	All visitors invited by a System Integrator or Participating Brand are eligible for a free entry.
Registration Process	Registration must be completed exclusively by one of the Collaborative Partners or via XLNS for your private registration
Standard Fee	All private visitors are required to pay a fee of 30 OMR.
Program & Hospitality	8:30 AM – 4:00 PM
